2. Whereas, Rule 28 of the Registration of Electors Rules, 1960, empowers the Election Commission to direct, with a view to preventing impersonation of electors and facilitating their identification at the time of poll, the issue of Electors Photo Identity Card to electors bearing their photographs at State cost; and

4. Whereas, a combined and harmonious reading of the aforesaid provisions of the said Act and the Rules, makes it clear that although the right to vote arises by the existence of the name in the electoral roll, it is also dependent upon the use of the Elector Photo Identity Card, where provided by the Election Commission at State cost, as the means of establishing their identity at the time of polling and that both are to be used together; and

8. In the case of EPIC, clerical errors, spelling mistakes, etc. should be ignored provided the identity of the elector can be established by the EPIC.
