“The Nagaland Road Safety Policy, 2017”

I. Overview

Nagaland is a hilly State with narrow and winding roads crisscrossing the length and breadth of the State. The State is witnessing a quantum increase in vehicle population since the last 10 years, The major concentration being in Kohima, the State Capital and in Dimapur and in some of the District headquarters. The National Highway 29 is specially stressed within the road network in the state.

Increase in vehicular traffic often results in rise in motor vehicular accidents. Other factors like poor road conditions, ineffective enforcement, lack of road safety awareness, etc., greatly contribute to vehicular accidents on roads. Accidents lead to loss of lives and properties. They also negatively impact the economy of a State or the Nation. Nagaland State is experiencing increase in vehicular accidents some of which result in loss of lives.

It has become imperative to systematically address this subject by formulating and implementing policies and approaches for arresting vehicular accidents and improving safety on the roads. It is necessary to introduce safer system concept as a holistic approach to tackle road use and road infrastructure and not confined simply to numerical target-based approach. Road safety and prevention of injuries and fatalities will entail diligence, constant effort and focus on reducing road accidents. Thus, the Nagaland Road Safety Policy, 2017, is framed as a response to this need. This policy will provide us the basis for action to be taken by the State Government. This policy considers the attitude to life from a view point of positively impacting safety. This policy considers to positively impact life through imparting, learning and adoption of safety measures as a way of life.

Activities that contribute to increased awareness and knowledge of key road safety issues by the general public or target audience leading to safer road user behavior shall form one of the core approaches to road safety. (e.g., ad campaigns, social media, etc.).
