NOTIFICATION

NO. DSE/ESTT/LANG/1-56/2015/531

Dated Kohima, the 10th May, 2017**IMPLEMENTATION OF THREE LANGUAGE POLICY AND PROMOTION OF NAGA LOCAL DIALECTS.**

The Govt. constituted a Committee to examine the present scenario on implementation of the three language policy and make recommendations and modalities for introduction of MILs/Local dialects in schools in Nagaland. The major findings of the Committee are as follows :-

- I) Contrary to national three language policy, English, in lieu of mother tongue, is being used as the medium of instructions in almost all the schools in Nagaland;
- II) Though Hindi as national language is taught as a compulsory subject upto class-VIII, the level of proficiency of Naga students in reading, writing and speaking in Hindi is low.
- III) 90% of Naga students opt for Alt. English as many schools especially private schools have not introduced mother tongues even in places where local languages have been developed and introduced to higher levels of studies;
- IV) At present only 4 Naga dialects, i.e Ao, Lotha, Sumi & Tenyidie are being taught beyond Class-VIII;
- V) There is no uniformity and comparable standards of text books of different Naga dialects;
- VI) Some literature committees/boards have developed manuscripts and introduced their languages in higher classes. But many of them were found to have been developed without any approved curriculum and syllabus;
- VII) Though Naga languages are in the list of endangered languages, many Naga children, according to a survey conducted by SCERT, are unable to speak their mother tongue and communicate with each other in Nagamese or English even at home; and

VIII) Children can understand better if taught in mother tongues. But due to less developed nature of the local dialects teaching-learning cannot be transacted through mother tongues.

2. Based on the recommendations of the Committee and with a view to effectively implement the three language policy and to preserve, protect and promote the local Naga languages, it has been decided to adopt the following measures :-

- i) Every child shall be encouraged and given opportunity to learn his or her mother tongue in the school. All the schools, both Govt. and private shall introduce the local language of the linguistic area where the school is located upto the primary or elementary level depending upon the level of the development of the local language starting from Class-I in schools where the local language has not yet been introduced from the academic session of 2018. Every school will introduce at least one local language in the school. However, depending on the enrolment, schools are at liberty to introduce more languages other than the language of the local linguistic area.
- ii) All the Naga tribes, including the sub-tribes, are encouraged to develop text books and introduce their mother tongues upto the elementary education, i.e. Class-VIII. However, all the existing text books of local languages being used in different classes shall be reviewed and updated strictly in conformity with an approved curriculum for Mother Tongue to be developed by SCERT, Nagaland which is the Academic Authority of Nagaland upto elementary education. To ensure and maintain uniformity and comparable standards, the SCERT with the assistance of different Language Officers, shall develop a prototype of textbooks in English which shall then be translated into local languages. These series of text books will be titled 'NAGA HERITAGE STUDIES' and used upto Class-VIII.
- iii) Introduction of a local Language in schools at different levels upto Class-VIII shall be considered only after the SCERT certifies that textbooks of that particular language have been developed as per the approved curriculum for Mother Tongue. Similarly, a local language shall be considered for introduction at secondary level only after the textbooks of that particular language have been developed as per the MIE framework for secondary level to be certified by the NBSE.
- iv) A State Institute of Naga languages shall be set up under the Directorate of School Education by re-deployment of the existing officers, language officers and staff to
 - a) Systematically develop all the Naga languages and sub-dialects in collaboration with Nagaland University and different language Boards/Committees;
 - b) Regulate and monitor development of text books for local languages in collaboration with SCERT and NBSE;
 - c) Ensure uniformity and prescribe standards/syllabus for issue of certificate and diploma by different literature Boards/Committees;
 - d) Take up any activity that may be entrusted to it by the Govt. for preservation, promotion and development of Naga languages.

- v) Language teachers shall be appointed as per the NCTE norms. Till the proposed State Institute of Naga Languages prescribes the syllabus, the other literature Boards/Committees may adopt the curriculum and syllabus of URA ACADEMY for conduct of certificate and diploma course of one year duration each, as a stop gap arrangement.
- vi) In Govt. schools where local languages are taught, there will be no deployment of additional language teachers on account of introduction of local languages. The existing teachers may be trained and deployed as language teachers in addition to their normal duties, till trained language teachers are appointed after rationalization and re-deployment of teachers in Govt. Schools. Private schools may also adopt similar strategy.
- vii) Due to existence of multi languages, different level and less developed nature of the local languages, English shall continue to be the medium of instructions in all the schools in the State. However, teachers are encouraged to explain the difficult concepts and scientific terms in the mother tongues of the children.
- viii) With the introduction of local languages from Class-I from the academic session of 2018, Alt. English shall be abolished in a phased manner starting from Class-V from 2018, and Class-VI to VIII from 2019 in all the schools in the State. In urban areas in addition to the local language, Naga Heritage Studies may be used for non-local students (students who are from outside the linguistic group of the local area).
- ix) Only qualified and trained candidates from nationally recognised institutions shall be considered for appointment as Hindi Teachers after proper screening & clearing State Hindi Teacher Eligibility Test. The State shall devise some innovative plan to improve, monitor and check the proficiency of Hindi teachers and learning outcome of students in Hindi from time to time. Students shall be encouraged to speak only Hindi during Hindi class and even in the school and outside in lieu of Nagamese.

All stake-holders, including Principal Director, School Education, Director, SCERT, Chairman, NBSE, SMD, SSA/RMSA, DEOs, DDEOs, SDEOs, Principals, Headmasters and heads of schools are hereby directed to initiate immediate necessary action for implementation of the instructions contained in the notification from 2018.

This has the approval of the Cabinet vide Cabinet Cell Memo No. CAB – 2/2013 dated 26.04.2017 and shall come into immediate effect.

OFFICE MEMORANDUM

No. AR-3/GEN-231/2011

Dated, Kohima, the 4th May, 2017.**Counting of Contract/Adhoc/Work-charged/Substitute period for retirement purpose.**

1. The Nagaland Retirement from Public Employment Act, 1991, defines public employment as "appointment to any pensionable state public service or posts connected with the affairs of the State of Nagaland and the Nagaland Legislative Assembly, and includes any appointment under the Government of India, and other State Government, Central or State Public Sector Undertakings and local authority held by persons prior to their absorption under the public service of the State of Nagaland and the Nagaland Legislative Assembly which counts for the purpose of pension".
2. And whereas, clarifications have been sought by Departments from time to time whether the services rendered in adhoc/contract/work-charged/substitute capacity prior to regular appointment made through NPSC or Departmental Selection Board or any other prescribed procedure shall count as public employment for the purpose of calculation of length of service under the above Act.
3. And whereas, in the judgment and order dated 24/07/2012, the Gauhati High Court in Case No. WA-168/2012, WA-175/2012, WA-177/2012, WA-178/2012, WA-179/2012, WA-180/2012, WA-181/2012, WA-183/2012, had ruled that the period of service rendered on adhoc/contract/work-charged has to be counted for computation of public employment under the Nagaland Retirement from Public Employment (2nd Amendment) Act, 2009.
4. And whereas, this Department had issued office memorandum of even number dated 01.08.2012 regulating counting of past service as public employment for the purpose of pension under the Nagaland Retirement from Public Employment (2nd Amendment) Act, 2009.
5. And whereas, in a landmark judgement and order dated 14.03.2017 in W.A. No. 5(K) of 2017, the Kohima Bench of Gauhati High Court, referring to the judgement and order dated 14.06.2012 passed in WP(C) No.270(K) of 2011 and a batch of other writ petitions as well as the Order dated 20.07.2012 passed by the Division Bench in Writ Appeal No. 177/2012 alongwith a batch of other writ appeals, observed that "in view of the expressed provision defining public employment which does not distinguish between regular appointment and adhoc/contract/work-charged appointment for the purpose of retirement, period rendered on such basis has to be computed for the purpose of computation of 35 years of public employment". The High Court also held that "having come to the finding that the Memorandum dated 01.08.2012 is not in consonance with the judicial pronouncement of this Court, the Office memorandum dated 01.08.2012 is of no consequence and we declare the same to be a nullity in law".

6. Now, therefore, it has been decided that the period of service rendered on adhoc/contract/work-charged/substitute basis which is followed by regularization or regular appointment without break or any gap in service except resignation, shall be treated as public employment and included in computation of length of service for the purpose of pension under the Nagaland Retirement from Public Employment (2nd Amendment) Act, 2009.

7. This supersedes all office memoranda on the subject including the office memorandum dated 29th March, 2017.
