CIRCULAR

Dated Kohima the 16<sup>th</sup> Sept. 2016

NO.PSTY/GEN-10/2015:: It has been observed that most of the Departments send photocopy of documents while submitting for publication in the Nagaland Gazette as a result of which chances of committing errors while publishing are very high.

Therefore to avoid this, it is hereby directed to all the Departments to henceforth, send original copy of documents along with a soft copy of the same to the Directorate of Printing & Stationery for publication in the Nagaland Gazette.
